Hi Sonja -

Sorry - Just got this e-mail - we are all set. This case closed today with a plea.

Hi Joella-

I received this email from Bob saying that I could be on standby for the [REDACTED] trial set for today, and I wanted to let you know that, if you do end up needing me, it will take me a little longer to get to court than normal (probably about an hour or a little longer) as I will be coming from Northampton instead of Amherst. Also, since I won't be at the lab, you can call my cell [REDACTED] [REDACTED] if you need me. Thanks.

Sonja,

I just spoke to Joella and she said you can be on standby, however, she does not really expect it to go because the Def Aty has had little to no contact with Def.

Bob-

Thanks for letting me know. I figured that it might plea as it doesn't appear to be a big case from my end.

Also, has anything changed in the [REDACTED] case scheduled for trial on March 30, 2011 in Belchertown? It is the only case I have scheduled on Wednesday, so if you want me there in the morning instead of on standby that would be fine, just let me know what you want. Thanks.

I think this will plea out tomorrow. So, be on standby, I will call you or send you an e-mail and let you know.

Again, Sorry for not replying earlier.

Hi Bob-

I just wanted to check in about the [REDACTED] case scheduled for trial on March 29, 2011 in Belchertown. Have there been any changes that affect me (plea, stipulation, etc.)? If not, do you want to have me on call? Or be there at a certain time? Just so you know, I'm also on call for a case in Springfield District Court that day. Thanks.
